

Terms and Conditions

Thank you for your interest in our Auto Pay program.

By enrolling in Auto Pay, you are authorizing PGE to automatically withdraw the amount of your electric bill from your checking account on the due date of your bill. Your monthly statement notifies you of the amount and due date.

Please allow two to four weeks for Auto Pay to begin. Continue to pay your bill until your statement says "Do Not Pay."

Your authorization will remain in effect until canceled.

To cancel Auto Pay

To cancel Auto Pay, call our Customer Service number at 800-542-8818 at least five business days before the due date to allow time for PGE and your financial institution to act on your request.

To stop an individual withdrawal, notify PGE at least five business days before your withdrawal. Any withdrawals not honored by your financial institution may be subject to "returned check" charges.

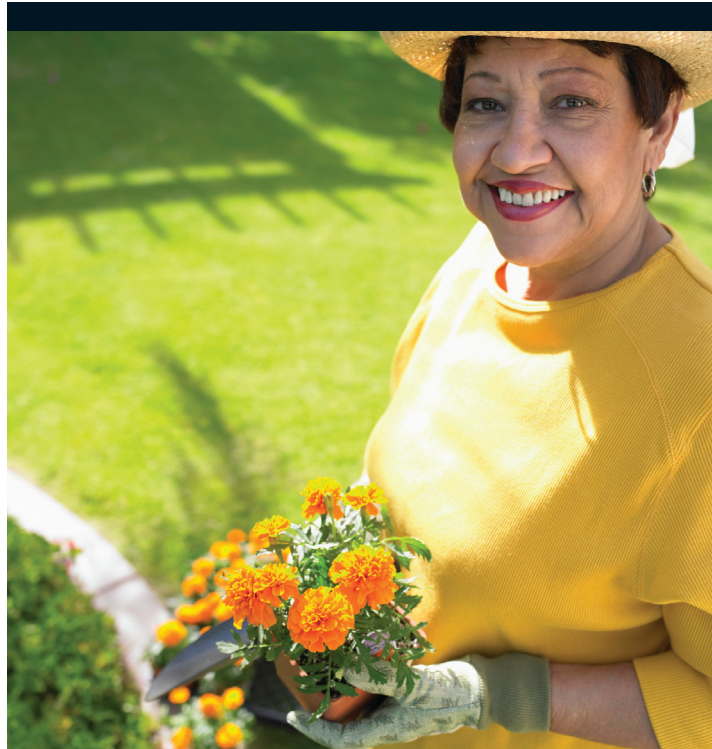

Please retain these terms and conditions for your records.
